\$30 per class, (\$20 if commit to all six classes), drop-ins welcome

# sue's supply list

---

## Paper:

- Inexpensive sketch pad 8x10" or larger for quick sketches
- Good quality drawing pad with acid free paper, 8x10" or larger
- (May use hot press (smooth) watercolor paper if desired)

## Pencils:

- # 2 or HB to begin with. If serious about drawing, you may want to purchase a fuller range from 4B, 3B, 2B, B, HB, F, H, 2H, 3H, 4H. High number B's are the softest and darkest; high number H's are the hardest and lightest.
- Ruler: 12-18" (if interested in perspective)
- Pencil sharpener or matt knife (small piece of 150 sandpaper, optional)
- ( I use a matt knife and sandpaper)
- Kneaded eraser
- Drawing board (light weight plywood works well)
- Masking tape.
- (Class may later use pen and ink (micron pens are nice), watercolor, or other drawing media.)
